Never were the kind of guy who gave your heart
Never could you let emotion show
You were frightened that your world would come apart
If you ever let your feelings go
Let me be the one to take away your fears
It won't hurt for you to take a chance
(1)
You know it just takes a minute
To show you that I love you
Just takes a minute
To prove my love - oh oh oh
(2)
Oh look in my heart
See all the love that's waiting for you
Let yourself go - look in my heart
Always believe I'm here forever
Oh oh look in my heart
You don't need to worry, love is all around
Even though it seems so far away
Happiness is something that you've never found
But it's waiting here for you today
Take another look and you will find me here
Holding out my arms to take you in
(repeat 1)
(repeat 2)
I don't think that love's a game
I won't play with your heart
Hold me tonight
Let me love you again and again
Darlin'
(repeat 2)
