Just to see you again - It feels just like paradise
Just to kiss you again - It feels like a dream
Darlin' look in my eyes - Can't you see that I love ya
Look in my eyes - I can't stop thinking of ya now
Hold me tonight

* Our love brings me straight to the top
And I can't get enough - No it's never enough
Our love brings me straight to the top
And I can't get enough - No it's never enough
Our love

Reaching out to your touch - I'm lost in a fantasy
Never felt it so much - This thing they call love
Darlin' promise me now - That our love is forever
Promise me now - We can make it together - Oh
Show me the way

* Repeat

Two together - As I'm holding you so tight
We can make it thru the dark and lonely night

* Repaet
