Would you mind
If I held you
Would you mind
Or would you tell me not to
Would you mind
Breaking rules with me
Would you mind
Or would you rather let us be...
(chorus 1)
Too long waiting around
Just to get my lips on you
Too long waiting around
To let you out, let you slip, in and out my fingertips
(chorus 2)
Talk to me
I don't really know you
Talk to me
Come on and make a sound
Talk to me
Need to get to know you
Talk to me
Don't play me around
Would you mind
Me comin' over
Would you mind
Or are you out with Casanova
Would you mind
If I telephoned
Would you mind
We really need to talk alone
(chorus 1)
(chorus 2)
Come on girl and talk to me
Oh I need to see you smile
We don't need no wedding ring
We just need to talk for a little while
(chorus 1)
