Let's Go

Just met a pornstar  
She is an actress  
Because in real life  
She won't admit this

She doesn't want anyone to know  
So she pretends she's someone else  
But I found her out anyway  
After she told me that she had a boyfriend

Had enough, had enough, had enough  
Of this stuff, of this stuff, of this stuff  
And I'm sure that you don't really mind  
That you're taking me for one hell of a ride

He's a manager, in show biz  
He said I'd be a star  
But now what's this

He stopped returning all my calls

When I couldn't make him anymore  
Money, it changes everything  
When he said that I'd always be a superstar

Had enough, had enough, had enough  
Of this stuff, of this stuff, of this stuff  
And I'm sure that you don't really mind  
That you're taking me for one hell of a ride

You're taking me for a ride (2x)

Had enough, had enough, had enough  
Of this stuff, of this stuff, of this stuff  
And I'm sure that you don't really mind  
That you're taking me for one hell of a ride (2x)
