If these ladies knew what turns me on, they'd say go
fuck
yourself
Tough luck, they fall for my sweet-talk, now it's too
late. No escaping.
Almost too easy. Can't wait to see her eyes. Now she's
wasted on my couch
No need for chloroform this time. Come to the
bedroom.
Strapped down willingly.
Before she knows what she's about to receive, I pull
down
my pants.
She notices something's missing. Deep throat the
stump.
Down to your lungs. Deep throat the stump. Or I'll make
you one of your own.
Sphincter tearing as I ravage, mercilessly pounding
down.
As my knee enters your colon, half-digested meals are
spilled.
Wake you up with butyl-nitrite. It will help enhance your
panic.
As you scream in pain and terror, you notice what the
fuck's wrong with me.
Acrotomophilic.
