I'll take my revenge now with my shit (on all you
fucking dicks!).
Armed with a year worth of stinking faeces.
Cautious about always going low on that fibre.
Fill the balloons till they're nice and plump.
Tonight I'm gonna take my final dump.
Drenched in diarrhoea - unleash my fucking faecal
fury.
If you ever laid a fucking hand upon me, now's your
time to pay.
Have to give my fucking shit back.
No more bullshit - drop a deuce on all society.
First off comes the police station.
Bust me for weed, I'll bust you with shit.
Next the lying politicians. Fuck them and their fucking
laws.
Bankers and managers. Fuck-heads and Nazi skins.
Wanna-be tough guys and moronic pricks.
Religious hypocrites, warmongers, sexist dicks,
Paedophiles, murderers, rapists and pigs.
Faecal stench wakes you up,
Seeping through the cracks.
A nightmare all in brown,
Creeping into your brain.
Vomiting from your front window onto the street.
Complete my mission to rid you of your last meal.
I'll take my revenge now with my shit (on all you
fucking dicks!)
Shitting on your life, shitting on your life.
Fuck your perfect little life.
Fuck your car and fuck your wife.
Fuck you stupid yuppie dicks.
Fuck your money and your chicks.
