Get in the toilet, take off your clothes
I'll pull my pants down, open up wide!
Vomit in excitement, fear written in your eyes
You've fulfilled your duty, now has come your time to
die!

Gorging on shit, smeared on your tits
Suck on my faeces instead of my dick
Filling all holes of this dumb whore
Before I crack her skull in my front door

She passes out
Tongue hanging out
Clogging her throat
Brown smelly load

Drag you by your hair
Out of the toilet, down the stairs
Still gagging on my load
Your skull will soon explode
Explode!

Gorging on shit, smeared on your tits
Suck on my faeces instead of my dick
Filling all holes of this dumb whore
Before I crack her skull in my front door

Head in the door
Down on all fours
Slam it down hard
This shit is pure art!
