Arriving in an unknown town,
Just trying to find a calm place
For me and my worst dependence,
Feed the holes... overdose
No need to hide my intentions,
Getting drunk and stoned as hell
The gin was just a part of it
Feed the holes... overdose

Killer stuff and liquid devil,
Grinding sound for insane people
Haunts my brain, out of control,
Feed the holes... overdose
Then I saw this gorgeous girl
With green eyes she looked so nice
A three-hole slut to my surprise
Feed the holes... overdose

You lie screaming in my bed
Ram my dick deep down your cunt

Whore Â– Try to swallow this oral dick fuck
Whore Â– Let me stretch your ass with anal fisting
Whore Â– I pound your face to pulp, bleeding,
worthless
Whore Â– I rape you more and more

You lie screaming in my bed
Ram my dick deep down your cunt

Relentless pumping of my loins
No need to insert any coins
Your ass gets drenched by shit and cum
Feed the holes... overdose
Stuck my dick between your tits
You smell the shit, you puke your soul
I splash my sperm right in this hole
Feed the holes... overdose

I fist your cunt to chewing gum
A reek of blood and shit and cum
For this, my bitch, I need no gun

Feed the holes... overdose
Worthless little green-eyed slut
I love you for this killer fuck
But now it's time to say goodbye...
