Severed... in the... cemetery Â– Severed in the cemetery

Severed... in the... cemetery Â– Dismembered bodies pile around me

Severed in the cemetery

Decomposing corpses, munching on the half-decayed ones

In my cemetery, thrive on rot

Opening the crypt door, appalling stench so arousing

In my cemetery, I cannot wait

Decomposing corpses, I revel in sickening frolic

In my cemetery violent ecstasy begins

Opening the crypt door, commence hacking mindlessly

In my cemetery I do as I will

Decay enthrals my senses, I do not need a living cunt

Exhume them from their trenches, insides filled with writhing vermin

Severed... in the... cemetery Â– Dismembered bodies pile around me

Severed... in the... cemetery Â– Severed in the cemetery

Severed... in the... cemetery Â– Dismembered bodies pile around me

Decomposing corpses, munching on the half-decayed ones

In my cemetery, thrive on rot

Opening the crypt door, appalling stench so arousing

In my cemetery, I cannot wait

Decomposing corpses, I revel in sickening frolic

In my cemetery violent ecstasy begins

Opening the crypt door, commence hacking mindlessly

In my cemetery I do as I will

Severed... in the... cemetery Â– Severed in the cemetery

Severed... in the... cemetery Â– Dismembered bodies pile around me
