Blasting through your spinal cord, scraping tissue from  
bone  
Divide the cartilage, exquisite bloody art, sadistic glee  
Skinning you carefully, explore your anatomy, lacerate  
perversely  
Torment extreme, cracking your bones, your ribcage  
implodes  
All splinters and gore, lusting for more, ripping the  
flesh  
Carving my way, inhuman precision, tortured screams  
Shattering your... spinal cord

Shatter the spinal cord Â– Splinters pierce your bowels  
Shatter the spinal cord Â– Ruthlessly  
Shatter the spinal cord Â– Blasted anatomy  
Shatter the spinal cord Â– Scream

Ripping your dissected body, innards are exposed  
Flailing loosened fat and muscle, cavities implode  
Laughing while you bleed and bleed... you bleed...  
I'm just serving to my master, lord of rot and malice  
free  
He breathes pestilence, putrid essence of the darkest  
evil breath  
I don't choose this, I'm just doing what the terror told  
me, bleed

He is watching every twitch of your death through his  
slave in me  
Shattering you spinal cord

Shatter the spinal cord Â– Splinters pierce your bowels  
Shatter the spinal cord Â– Ruthlessly  
Shatter the spinal cord Â– Blasted anatomy  
Shatter the spinal cord Â– Scream

Ripping your dissected body, innards are exposed  
Sadistic glee, torment extreme, cracking your bones  
Your ribcage implodes, all splinters and gore Â– lusting  
for more  
Ripping the flesh, carving my way, inhuman precision  
Tortured screams, blasting through your spinal cord
