In my mind I know
You care
In my mind I know
You still love me
But your words are cold
Your actions they hurt
At times I feel like running away.

CHORUS:

My heart and soul (heart and soul)
Are broken my smile has fallen (broken smile has fallen)
And I feel so unwanted like (unwanted) I've been forgotten (forgotten, forgotten) what did I do to deserve a broken heart (broken heart).

I'm in need of some loving badly
I'm in need of some tender
Love and care
I'm in need of some healing.

I'm losing my mind (losing my mind)
My head it aches
My head it swells in
Achieving pain wish
Someone could come and
Cure this pain (cure this pain)
Cure this pain I feel inside
(This pain I feel inside).

CHORUS REPEAT-3:

My heart and soul (heart and soul)
Are broken my smile has fallen (broken smile has fallen)
And I feel so unwanted like (unwanted) I've been forgotten (forgotten, forgotten) what did I do to deserve a broken heart (broken heart).

My heart and soul (heart and soul)
Are broken my smile has fallen (broken smile has fallen)
And I feel so unwanted like (unwanted) I've been

forgotten (forgotten, forgotten) what did
I do to deserve a broken heart (broken heart).

My heart and soul (heart and soul)
Are broken my smile has fallen (broken smile has
fallen)
And I feel so unwanted like (unwanted) I've been
forgotten (forgotten, forgotten) what did
I do to deserve a broken heart (broken heart).
