No one cares for me
I'm all alone in this
Weird world
I have no one
I've got nothing to keep
Me Safe
And Warm.

I'm so lost and lonely
I'm standing here all alone in the
Dark in the pouring rain
I'm a lonely girl.

CHORUS

So can someone please tell me
How do you mend a broken heart
Tell me, how do you survive living in a
Situation
Like This?

Now I feel even more
Unwanted cause no one
Cared to stop to ask me if I
Was o.k they simply just
Kept on walking on by.

Another day
Nothing special
About it.

CHORUS REPEAT-2:

I'm feeling like I was
Just yesterday it's all still the same.

I feel broken
Like I did just yesterday these wounds wont seem to
heal
These bruises wont seem to heal
This pain is just to real
I feel broken inside.

All my hopes and dreams

My heart and soul
Are broken so how do I mend
My broken heart back together again?

CHORUS REPEAT-3
