V1:

Why did you have to go  
And screw up our relationship  
Why did you have to go  
And break my heart do  
You have any idea how much  
I am hurting inside  
My soul is broken  
On you my dear,  
On you my dear.

CHORUS1:

After all I did for you  
You took it and threw it all  
Away  
Now all I gave you  
Has gone  
None of that is replaceable  
You can't replace them.

V2:I guess the time when  
You broke my heart  
I guess that's the time  
When you lost me at goodbye  
(Lost me at goodbye)  
Now I can't take you back  
You hurt me too much  
You have lost me at goodbye  
(Lost me at goodbye)  
Lost me at goodbye.

Heartbreak is painful  
Finding a cure is hard  
Letting go is painful too  
So why can't I just let you go why can't I let you go.

You lost me at goodbye  
There's no taking back what you did  
You lost me at goodbye  
There's no turning back  
No, no, no, no  
You lost me at goodbye (lost me at goodbye)

Lost me at goodbye.
