I'm sitting here  
Up in my room  
Looking out my window  
Today is a beautiful day  
The suns out the birds are singing  
This place seems so calm

Everytime I look at  
The children playing  
I think to myself  
How beautiful it is  
To see that  
What a wonderful view

Without you in my life  
I would be nothing  
I'd be so  
Lost without you  
Lost without you in my life

I lift my hands to you lord jesus  
I thankyou for  
These blessings  
You have blessed me with  
I thankyou  
Thankyou for all the love you  
Give to me

I pray that every child  
In this world will learn  
Of your great love  
And evrey boy and girl  
Who come into this world will  
Share the gift of  
Hope and inspiration

I lift my hands to you lord jesus  
I thankyou for  
These blessings  
You have blessed me with  
I thankyou  
Thankyou for all the love you

Give to me
