So broken, broken...  
Mmmmmmm

Verse 1:

I remember when we were 13.  
You said you'll always be down for me.  
But once I finally gotta name,  
A simple thing.  
Began to change.  
But I'm still the same and I'm...

Chorus:

Sooo broken  
Sooo broken  
So brokenhearted.  
I know it's myself.  
Can't blame nobody else.

Verse 2:

You said to me 'Girl you done changed.'  
'What about us hangin out ain't got time for your  
friends.'  
But I haven't changed.  
Part of me is still the same.  
Look at me and ignore the fame.  
I still remember where I came from.  
I'm so...

Chorus:

Sooo broken  
Sooo broken  
So brokenhearted.  
I know it's myself.  
Can't blame nobody else.

Verse 3:

Why???

I realized it's hard for you too.  
Say girl I forgive you when I'm sorry.  
But it' just sooo stressful.  
Being out on the road.  
Doing shows.  
So I need you the most...

You're my best friend...

Chorus:

Sooo broken

Sooo broken

So brokenhearted.

I know it's myself.

Can't blame nobody else.
