"Deep"

It still hurts,
Yeah,

Remember when, it was you and me,
Wasting time, it was chemistry,
All the things we did,
It was magic, but now it's gone, gone,

He ain't no you, and I ain't no her,
But I know if we'd tried,
Baby, we could've worked,
And you may see me smilin'
Try and cover the hurt...
But baby I need you to know...
I'm still in love with you,
And I just can't let it go,
Baby I just don't know what else to do,
So I gotta let you know...
You cut me deep, deep,
Deep, deep,
I never knew it hurt so bad...
Boy you cut me deep, deep,
Deep, deep,
After I gave you all I had,

I miss the way we, we used to be,
"I love you girl, I promise that you're my everything",
But now those words ain't nothing but a memory,
But it's now gone, gone,

He ain't no you, and I ain't no her,
But I know if we tried,
Baby, we could've worked,
And you might see me smilin'
Try and cover the hurt...
But baby I need you to know...
I'm still in love with you,
And I just can't let it go,
Baby I just don't know what else to do,
So I gotta let you know...

You cut me deep, deep, (so)
Deep, deep, (oh)
I never knew it hurt so bad,
Boy you cut me deep, deep (so)
Deep, deep, (so)
After I gave you all I had,

Not a day goes by, you ain't on my mind,
All the time boy, (on my mind),
I know you're with her, and it's me you hurt,
But it's fine boy, (but it's fine),

I'm still in love with you,
And I just can't let it go,
Baby I just don't know what else to do,
So I gotta let you know...
You cut me deep, deep, (so)
Deep, deep, (oh)
I never knew it hurt so bad,
Boy you cut me deep, deep,
Deep, deep,
After I gave you all I had,
Boy you cut me deep, deep,
Deep, deep,
After I gave you all I had.
