Running his mouth talking 'bout how he's (Balling,

And I could tell how he was (All in, all in)
To himself, thats why I never (Call him, call him)

He call me on my telly
Don't got nothing to tell me
All I here is [breathing]
Breathing all in my ear
I gotta make this clear
Me answer my phone (Uh-uh, uh-uh)

'Cause I'm not the type to sit on the line
To hear baby girl, you know you so fine
Don't like it? Well, then TTYL
That's right, let me tell you why

I get a voice message, said call me when you get this

You trying to spit your game, homie, are you insane?
Me answer my phone (Uh-uh, uh-uh)

'Cause I'm no the type that like to talk long
Can't just sit all night breathing on the phone

I'm not tryin to be rude, the calling, yo, is not cool

Once or twice is nice but at 3 is where I stop you

Don't want you feeling under but, boy, you make me wonder

You claim that you a stunter but you only use my number

From here we'll just press rewind and we'll never press play

And the next time I'm on your mind and you got something to say

If you call me and I don't answer, don't trip, it's OK

I'm just waiting on you to text me

Ain't no need to call (Just text)

No need to talk (Just text)

That's how I roll (Just text)

Ain't no need to call

Ain't no need to call (Just text)

No need to talk (Just text)

That's how I roll (Just text)

Ain't no need to call

Ain't no need to call (Just text)

No need to talk (Just text)

That's how I roll (Just text)

Ain't no need to call

Ain't no need to call (Just text)

No need to talk (Just text)

That's how I roll (Just text)

Ain't no need to call

Yea (Just text)

Yea (Just text)

Yea (Just text)

Na, na, na, na

Yea (Just text)

Yea (Just text)

Yea (Just text)

Na, na, na, na, na
