Hello...  
Yeah this is love calling...  
Its been so long  
Since I was left balling, falling for... you, you.  
You, you, ...you.  
You, you.  
You.

So tell me, whats her name?  
And how long have y'all been together?  
And are you still the same?  
Or has she made you that much better?  
Cause when you were mine  
Everything it was so beautiful...  
But baby with time  
You up and let me go

Now I'm sitting, and I'm calling  
Got me drinkin'  
Got me ballin'  
And I hate that its all over you

Saw her picture  
On your profile  
You look so in love... yeah  
Y'all look so in love yeah

And I hate it cause  
I see it all over you

Oh, Hello  
Yeah this is love calling...  
Its been so long  
Since I was left balling, falling for... you, you.  
You, you, ...you.  
You, you.  
You.

I hate when I see you  
Happy with someone  
other than me

I hate that you're happy  
out there and moved on  
I just cant let you be

Oh I hate that you're happy  
Out there with someone  
Other than me

Hello...  
Yeah this is love calling
