Verse1

You can be the peanut butter to my jelly
You can be the butterflies I feel in my belly
You can be the captain
I can be your first mate
You can be the chills that I feel on our first date

You can be the hero
I can be your side kick
You can be the tear
That I cry if we ever split
You can be the rain from the cloud when it's stormin'
Or you can be the sun when it shines in the mornin'

B sec

Don't know if I could ever be
Without you cause boy you complete me
And in time I know that we'll both see
That we're all we need

Cause you're the apple to my pie
You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry

Hook

Cause you're the one for me (for me)
And I'm the one for you (for u)
You take the both of (of us)
And we're the perfect two

We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two

Verse2

You can be the prince and I can be your princess

You can be the sweet tooth I can be the dentist
You can be the shoes and I can be the laces
You can be the heart that I spill on the pages

You can be the vodka and I can be the chaser
You can be the pencil and I can be the paper
You can be as cold as the winter weather
But I don't care as long as were together

B sec

Don't know if I could ever be
Without you cause boy you complete me
And in time I know that we'll both see
That we're all we need

Cause your the apple to my pie
You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry

Hook

Cause your the one for me (for me)
And I'm the one for you (for u)
You take the both of us (of us)
And we're the perfect two

We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two

Bridge

You know that I'll never doubt ya
And you know that I think about ya
And you know I can't live without ya

I love the way that you smile
And maybe in just a while
I can see me walk down the aisle

B sec 1/2

Cause your the apple to my pie
You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry

Hook

Cause your the one for me (for me)
And I'm the one for you (for u)
You take the both of us of us (of us)
And we're the perfect two

We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two
