Ooh ooh (uh)
Ooh ooh oh
(Girl that's juice)
Ooh ooh
(Okay!)

[Auburn:]
Don't mean no disrespect
But I'm notice in the M's on your chain
Seems as we met before
What's your name
Do you got a reason for the way your looking
At me
You seem so envious
I, know your probably wondering who I am
Don't wanna be rude so just call your friend
Excuse my behavior it's just I'm so stunned
You really remind me of someone

[D-Reeves:]
Did that bee say wha?
Girl you trippin,
I don't really think I could call you a friend (Okay!)
I barely know you but yea I brag
Your standing close to a mini mack
And I think you called me envious
I'm even more juiced than you is
I see you no-ti-cin my chain
And I was swingin blangy thangs
