Buddy loveÂ...Â...Â...Â...Â...Â...10sec

You call me at 7 in the morning,
We walk down even if it's pouring,
I love her,
She loves me,
We are as happy as can be.
I love her when she is on my side,
She pulls me away when something isn't right
I know she will never let me down
Cause she is my Buddy.
And never made me frown

We are best friends,
I know deep down and all you never want it to end,
I think you're an angel from above,
But its Buddy love!!!!!!!!!!!!!!
I love you buddy!!!!!!!!!!
Buddy

I hope your dreams stay strong
Never be wrong,
You have a strong and loving heart,
I love you, the little devil you are,
I know we may fight,
Then you come and your on my side,
You're my friend
And never again
Will I be mean to you
Always tell the truth,
I love you!!!!!!

[Verse 2]
