I know,
I know,
I know you hate me,
But times, I don't care can't you see!
You are so board you mess with my life,
Well I'm telling you now,
You better keep one eye open at night.
I know you give me a dirty look
Like I took,
Took one of your guys
Well that's a lie,
You probably heard it by someone,
Yeah, and there going out with no one!
Give it up you know your going to loose,
If you snooze, its going to loose your life,
I mean it when I say,
Keep one eye open at night!

I know what you're thinking
Don't think you can hide,
Ill show you,
That I got pride,
I know I got a criminal mind,
Doesn't mean you go and hide
Are you scared of me!!!
Well you need to be
With
Criminal mind
Like mine!

I know you say things about me,
Some things you say, no one can believe,
You exaggerate
Make me look like,
I don't have what it takes,
Give it a rest,
I know you did your best
Well your best is bad!
That's all you ever had!

[Verse 2]

You may say that your going to get me again.
You will never be my friend.
No
You may leave me and go to someone other than me,
But they will be able to see!!!
See your lies,
That's why you cry!
Big girl grow up!!!

[Verse 2]

[Verse 2]

Yeah, Yeah

Let it go
Let it go
Let it go
Let it go

Your never going to grow up!
I don't wish you luck!
Cause your Junk!

I know your tried,
But keep going
Its funny to watch you cry...

You know I got,

A criminal mind!
