I've made up mind
Know what I want
Giving it my all this time

Here in the dark
I saw your light
Up in the sky
Shining down on me

Don't know your name
Or if you can hear me

But I want you know
That I can read through
Our story so clearly

Can you hear me

Chorus
Sometimes you find love in the strangest places
Can't tell you why I know that look in your eyes
You can see tomorrow in strangers' faces
I've seen you when I look at the stars
I wanna be where you are

Verse 2
I've thought about you
And how it would be
To be a part of you and me

Are you thinking the same
At the same time
Don't know who you are but you're on my mind

I want you to know
Been praying for you

To come to my life
Cuz I promise
I'll love you sincerely

Chorus

Bridge
Want you right here
Right by my side
I'm gunna hold you in my arms
So tight
Wont let you go
I can't deny
My feelings
Deep inside

Give me a sign
That you hear me
