Ooh
Ooh hoo
Ooh hoo
Kissing me, kissing me

Tumble me all over like a
Pile of flirty mamas
Tryin'a make me do the dishes
Tryin'a wipe my lipstick kisses
Take me over over lucky like a four leaf clover
Make a wish I'll be your mrses
I'll cover you with kisses

Move a little closer
Ain't no time to waste
Mmm take my lips and
You can have a taste
Slowly and gently
Show me the way
Ahhhh

Do it to me all alone
Rock with the lights off
Boy your kisses give me pleasure
I can't find the words to say
Your kiss takes my breath away
I want you kissing me, kissing me

Tickle tickle feather
Tasty lips they meet together
Juicy red and so delicious
All the boys are craving kisses
Ain't no time for wasting
Sweaty bodies rearranging
If you cash in megga wishes
I'll reward you with some kisses

Baby close your eyes
And leave it all to me
Tricky how my kisses
Hit your your fantasies
Slowly and gently

I'll show you the way
Ahhhh

Do it to me all alone
Rock with the lights off
Boy your kisses give me pleasure
I can't find the words to say
Your kiss takes my breath away
I want you kissing me,
Kissing me
(Do it to me all alone)

Do it to me all alone
(Do it to me all alone)
Rock with the lights off
Boy your kisses give me pleasure
I can't find the words to say
(I can't find the words to say)
Your kiss takes my breath away
(Your kiss takes my breath away)
I want you kissing me, kissing me
I want you kissing me, kissing me
I want you kissing me, kissing me (ooh)
I want you kissing me, kissing me (ooh hoo, ooh hoo)
I want you kissing me, kissing me
Ahhhh

Do it to me all alone
(Do it to me all alone)
Rock with the lights off
Boy your kisses give me pleasure
I can't find the words to say
(I can't find the words to say)
Your kiss takes my breath away
(Your kiss takes my breath away)
I want you kissing me, kissing me
(Do it to me all alone)

Do it to me all alone
(Do it to me all alone)
Rock with the lights off
Boy your kisses give me pleasure
I can't find the words to say
(I can't find the words to say)
Your kiss takes my breath away
(Your kiss takes my breath away)
I want you kissing me, kissing me

Tickle tickle feather
Tasty lips they meet together
Juicy red and so delicious

All the boys are craving kisses
