I keep calling you
Tell me, was it something I said
Calling you

Woke up this morning and you told me you're tired of
the way we're livin'
And it's time for you to leave, how could you do this to
me?
Whatever I had I gave you my last, now you tell me that
you wanna leave
And all your stuff is packed, how you gonna do me like
that?

I keep calling you but you ain't picking up your phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Oh I keep calling you but you ain't picking up your
phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Sitting here and I'm losing my mind 'cause I gave you
all of my love
I gave you all of my time, gave you all my time
Now you wanna turn and walk away, you tell me you
don't wanna stay
I thought you were my man and I was your lady

I keep calling you but you ain't picking up your phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Oh I keep calling you but you ain't picking up your
phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Why couldn't you tell me the truth
If you didn't want me to kick it with you?
Now I'm sitting here all alone
'Cause you couldn't be a man and pick up your phone

I keep calling you but you ain't picking up your phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Oh I keep calling you but you ain't picking up your
phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

I keep calling you but you ain't picking up your phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore

Oh I keep calling you but you ain't picking up your
phone
Can you tell me what's going on?
Was it something I said? Was it something I did?
'Cause I need to know if there's an us anymore
