Ooh, I like it
Ooh, ooh, ooh, I like it

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?
'Cause you know I like, I like it

Ooh, I like it when you lay me on the center sheet
The way you pull on me, the way you hold on me
We don't ever have time to fight, everything is so tight
But what I really like, I like it when

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?
'Cause you know I like, I like it

Hmm, strawberries and whip cream on top of me
Givin' me good lovin' from my neck to my feet
Your love is the type of love that I never let go
And I want you, I want you to know

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?
'Cause you know I like, I like it

Uhh, uhh, right now
This where it get real freaky
I like it when you lay me on the center sheet
They way you pull on me, the way you hold on me
Oh, you do it so right, can we do it tonight?
'Cause you know I, I like it

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?

'Cause you know I like, I like it

Ooh yeah, ooh yeah
Yeah, yeah, yeah, yeah
Ooh, you know I like it

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?
'Cause you know I like, I like it

I like it when you lick right here
I like it when you touch right there
I like it when you run your fingers through my hair
Oh, you do it so right, can we do it tonight?
'Cause you know I like, I like it

Ooh yeah, hmm, hmm
You know, you make me feel so good
Ooh baby, I like it, ooh yeah
