Not only god could hold me

I met so many men its like they're all the same  
My apitie for loving is now my hunger pain

My only problem is their insecurity

cuz im real(the way u stare the way u look ur style ur  
hair)  
cuz im real(the way u smile the way u smell it drives me  
wild)  
cuz im real and i cant go on without u

Girl, I've been thinkin' bout this relationship  
And I wanna know is this as good as it gets  
Cause we've been through the worst times and the best  
times  
But it was our time, even if it was part-time  
My baby lookin' at me, smilin' at me, laughin' like we  
wasn't happy  
But not knowin', ever growin' and we're gettin' married  
Hard lovin' and straight thuggin'  
Bitch, I ain't doin' this for nuttin'  
I'm here to get it poppin', hoppin, let's ride up in the  
Benz

Hair blowin' in the wind, sun glistenin' off my skin, hey  
I'm nasty, heh, you know me  
But you still don't mess with your baby

cuz im real(the way u walk the way u move the way u  
talk)  
cuz im real(the way u stare the way u look ur style ur  
hair)  
cuz im real(the way u smile the way u smell it drives me  
wild)  
cuz im real and i cant go on without u

now people loving me and hating me treating me  
ungreatfully  
but not knowin that they aint making or breaking me  
my life i live it to the limit and i love it  
now i can breath again baby now i can breath again

now people screaming whats the deal with me and so  
and so  
i tell the bitches mind ya biz but they dont hear me  
though  
my life i live it to the limit and i love it  
now i can breath again baby now i can breath again

(tired of being alone) yeah yeah  
( arguing on the phone) yeah yeah  
( telling all ur friends)yeah yeah  
( nigga dont understand)my love

cuz im real(the way u walk the way u move the way u  
talk)  
cuz im real(the way u stare the way u look ur style ur  
hair)  
cuz im real(the way u smile the way u smell it drives me  
wild)  
cuz im real and i cant go on without u,and i cant go on  
without u
