You walked into my life when I was down and out
Took away my pain and gave me your smile
And at the time still lovin' someone else
Not knowing why 'cause they were the reason why I felt
the way I felt

But then one day I realized
That you're the one for me
I was so blind but baby, now I see

And I never let you go, oh, no, no, no
I love you so
And I'll get on both my knees
And I'll beg you please
Will you spend the rest of your life with me?

'Cause I'll never, babe
Wanna let you go, oh
No, never, babe
No, no, no, no, no, no, no

I wish that I could turn back the hands of time
'Cause if I would've known your love was like this
Back then I would've made you mine, oh yeah

If I had to die a thousand times a day I would do it for
you
Just to take the pain that I've given you away
'Cause I love you and I never want to

And I never let you go, oh, no, no, no
I love you so
And I'll get on both my knees
And I'll beg you please
Will you spend the rest of your life with me?

'Cause I'll never, babe
Wanna let you go, oh
Oh, never, babe
No, no, no, no, no, no, no

I'm sorry

I'm sorry

And I never let you go, oh, no, no, no
I love you so
And I'll get on both my knees
And I'll beg you please
Will you spend the rest of your life with me?

'Cause I'll never, babe
Wanna let you go, oh
No, never, babe
No, no, no, no, no, no, no
