Oh, ain't got some questions that I wanna ask you
Boy don't even try to lie 'cuz already found out the truth
Seen you at the hotel walkin' in room 3
Told me you was workin' but you were with her cheatin'
on me
No, no, no

No, no, no, I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry
Oh, no, no, no I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry

See all you wanna do is play games
With my mind
But boy I don't play games
For the simple fact that I don't have the time

I kept it real with you
But you didn't keep it real with me
So here's the keys to your car
I think it's time for you to leave, yeah

No, no, no, I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry
Oh, no, no, no I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry

You tell me to call you but you ain't ever home
Tell me hit you on your cellular but your cellular ain't
ever on
See I was that girl who would be by your side
But I got sick and tired of all your lies

No, no, no, I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry
Oh, no, no, no I ain't takin' this no more
It's time for me to say bye bye

Wipe away my tears 'cuz there ain't no need to cry

So you want me to be your second Ms.
But in it's place you find the one to be dissed
Don't play with me 'cuz I ain't wit it
Wanna turn around and hate a fool

Well, while you slay me I'll slay you
So what, what, what you gon do
Now you think you the man
Wit a master plan

But obviously you don't know
Who I am
Turn around and tell me what's the deal
When I will show you exactly how I feel

Here's your keys get in your ride
Take your clothes or they gon be outside
Huh, what, what, what take your keys get in your ride
Take your clothes or they gon be outside

Huh what, oh, you think that I'm playin'
Ya better open up your ears and listen to what I'm
sayin'
'Cuz what I'm sayin' I'm only sayin' today
Ha, ha, ha, boy I ain't playin'

Oh, you think this is a joke uh, uh, no, no, no
Your stuff is packed and it's out the door
'Cuz I'm tellin' you right now I ain't takin' this
No ooh whoa, whoa, whoa, whoa no

No, no, no, I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry
Oh, no, no, no I ain't takin' this no more
It's time for me to say bye bye
Wipe away my tears 'cuz there ain't no need to cry

Say bye bye
