Hmmmmmmmmmm.....

Yeah Yeah (Yeah Yeah)

VERSE 1:

Lately I know me and you been going through some  
hard times

But I would climb the highestet mountain swim the  
deepest sea

Just to keep you mine (Keep you mine)

And you dont really know what I feel when I feel your  
touch

It makes me want to get on both my knees and tell you  
take all my love

Baby take all my love

Baby but please....

CHORUS:

Baby please dont leave

I know I said alot of things but I'm so I'm so sorry

I'm so sorry

I'm begging you begging you not to go

I couldnt stand to wake up each morning

And not see your face anymore

Baby please....

VERSE 2:

I'm feeling real deep inside it makes me wanna cry I  
ask myself why did I (Why did I)....

Do those things that I didn't mean its not to late baby  
we still can see

If it was meant to be

Me and you and you and me

Baby please....

CHORUS:

Baby please dont leave

I know I said alot of things but I'm so I'm so sorry

I'm so sorry

I'm begging you begging you not to go

I couldnt stand to wake up each morning

And not see your face anymore

Baby please....

VERSE 3:

Everybody makes me mistakes but baby please dont  
act this way  
I cant live my life without you I wouldnt know what to do  
Now its like a roller coaster up and down  
When you go through this I wanna be around  
I wanna feel you next to me  
Ooh baby please don't leave....

CHORUS:

Baby please dont leave  
I know I said alot of things but I'm so I'm so sorry  
I'm so sorry I'm begging you begging you not to go  
I couldnt stand to wake up each morning  
And not see your face anymore  
Baby please....
