Ooooooooooooooooo

Tried to hide my tears
Hoping they can't see
What I feel inside
all the real shit about me.
I'm that flower that can't even grow
What I feel inside I hope they never know oh. All by
myself no where to go oh
I'm like that child locked in a cold dark room. See the
sun has gone away
now I can't wait for the day to see that rain fall and
wash my stress away.

(Chorus)2x

Rain come fall down on me
take away fall the things that I can see
rain come fall down on me
wash away all my pain and misery

Can't seem to run can't seem to hide
I hate that money the only way i can change my life how
could i let it get this far why things are the way they are
now the only thing im left with is a broken heart. How
could i ever said the things that ive say. How could i
ever pushed my family away. Now im begging for the
to cha-ange. Oh im praying for that rain.

(Chorus)2x

Rain come fall down on me
take away fall the things that I can see
rain come fall down on me
wash away all my pain and misery

Rain (rain,rain)

On me (on meeeee)

Rain on me (rain on me, rain on meeeee)

Rain (rain,rain)

Oooooooooonnnnn meeeeeeeeeeeee

Rain on me (Rain on me, Rain on me, Rain on me)

Rain on me (Rain on me, Rain on me, Rain on me)

(Chorus)2x
Rain come fall down on me
take away fall the things that I can see
rain come fall down on me
wash away all my pain and misery-yy
