(OHHHH)

Verse 1

(Take my love)

Talk to me that's the only way I can find out what's  
going on,

Finally we can be ourselves we don't have to be alone.

(UmmmmmUmmmmmm)

I've given you the liberty to make me feel good,

I can make you feel good too,

I've got a hold on you, You've got me torn in two.

Chorus

Why don't you take my love and run with it,

(Why don't you take my love)

All the way around the world, and then back again

(All the way, all the way round the world)

Why would you walk when you can run with it

Baby take all my love

Take all my love

Verse 2

When you smile at me,

The whole world stops and I forget to breathe

Suddenly we can ourselves you don't ever have to  
leave

Ain't no mistake you can't go wrong

A love like this don't come along

I've got a hold on you

You've got me torn in two

(Ohhhhhhhh)

Chorus

Why don't you take my love and run with it,

(Why don't you take my love)

All the way around the world, and then back again
