Avoliitto Lyrics

by Amanda Polk 2009

If you ever hear this
Don't expect it to bring you back
But there's a couple things I need to say
Just wanted you to know that
I can't say, I don't miss you sometimes
And if I said I didn't love you, that would be a lie

And though you may never believe the truth
What I did, I did it for you

I had to let you go, avoliitto
Had to let you fly away
Wanna let you know, avoliitto
I'm setting you free today
I had to let you go, avoliitto
Had to let you fly away
Wanna let you know, avoliitto
I'll keep your memory
Oh, avoliitto

If you ever hear this
Don't expect you to forgive me
But there's so much that I could say
But it's not so easy
To realize, I may never see you again
In my mind we had so much time, never thought it
would end

And though you may never believe the truth
What I did, I did it for you

I had to let you go, avoliitto
Had to let you fly away
Wanna let you know, avoliitto
I'm setting you free today
I had to let you go, avoliitto
Had to let you fly away
Wanna let you know, avoliitto
I'll keep your memory
Oh, avoliitto

Oh...
Avoliitto, avoliitto
You will never know...
Oh...
Avoliitto, avoliitto
You will never know...
Oh...
Avoliitto, avoliitto
Avoliitto, avoliitto
