Don't break me to pieces  
Don't break me to pieces

I turn on my TV  
Nothing is on at all  
I stare at your picture  
It's hanging on my wall  
I try to forget you  
But I keep hanging on  
You never told me  
What did I do wrong

Why'd you have to go  
You never said a word  
You never let me know

CHORUS  
Don't do it again  
Don't break me to pieces  
If this is the end  
I'll pick it up and fix it  
Don't do it again  
Your words have left me speechless  
And I'm on the edge  
So don't break me to pieces

I look out my window  
To an empty street  
I try not to call you  
'Cause you're so over me  
I wanna forget you  
'Cause I can't go to sleep  
I wake up and wonder  
Is something wrong with me

Why'd you have to go  
You never said a word  
You never let me know

chorus

The only thing, that I do

Is sit and think about me and you  
The only thing, that I need  
Is to have you back here with me
