LEFT MY HEART IN PARIS by AMANDA POLK

I left my heart in Paris  
I left it there with you  
But I'm coming back to get it  
I'll see you soon

Kissing you on the Metro  
Watching city lights  
Black Dog Bar, you know  
I miss those nights

In a few more hours  
This town will be ours  
We're gonna rock this city  
Just you and me

### CHORUS

Gotta get, Gotta get to Paris  
Gotta get the hell outta Texas  
'Cause where you are, is where I wanna be  
Gotta get, Gotta get to Paris  
Gotta get the hell outta Texas  
'Cause where you are, is where I'm supposed to be

Just landed at Charles de Gualle  
Said I'd call you when I got there  
I'm waiting at the terminal  
And you just got here

Now we're headed to Chatalet  
And you're holding my hand  
We're going back to your place  
So nice to hold you again

Just a few more hours  
And this town is ours  
We're gonna rock this city  
Just you and me, baby

### CHORUS

I'm really glad you waited for me  
'Cause you'll never find a love like me  
Here's my heart, so please don't break it  
I'm giving it up, so please just take it  
I came across this world  
So I could be your girl  
No where I'd rather be  
Then here with you next to me

So here I am in Paris  
Falling in love with you

On my way, On my way to Paris  
Had to get the hell outta Texas  
'Cause where you are, is where I wanna be  
Gonna get, gonna get to Paris  
Gonna get the hell outta Texas  
'Cause where you are, is where I need to be

On my way, On my way to Paris  
I'm a thousand miles, away from Texas  
Just minutes away from where you are  
On my way, On my way to Paris  
I'm a million miles away from Texas  
I'm coming to you, don't care how far

Gotta get, Gotta get to Paris  
Gotta get the hell outta Texas  
'Cause where you are, is where I wanna be  
Gotta get, Gotta get to Paris  
Gotta get the hell outta Texas  
'Cause where you are, is where I'm supposed to be

I left my heart in Paris  
I left it there with you...
