Hey, look in the air
There's smoke filling everywhere
And, take_ look on the ground
There's blood spilling all around

We live in the Garden Of Eden, yea
Don't know why we want to tear
The whole thing to the ground
We live in the Garden Of Eden, yea
Don't know why we want to tear
The whole thing to the ground

Hey, look at the green, green tree
It ain't quite as green, green
As it used to be

Hey, look at the cool clear water
It ain't quite as cool and clear
As it ought to be

And we live in the Garden Of Eden. yea
Don't know why we want to tear

The whole thing to the ground
We live in the Garden Of Eden, yea
I don't know why we want to tear
The whole thing down

Hey, look at the people
Sometimes we forget,
We're all just people
And we're falling head over heels
And some of us forget
Quite how to feel

We live in the Garden Of Eden, yea
Don't know why we want to tear
The whole thing down
We live in the Garden Of Eden, yea
Don't know why we want to tear
The whole thing down
Down, down

Down, tear, the whole thing to the ground
When we live in the Garden Of Eden
