I don't wanna see your face  
I don't wanna hear your name  
I don't wanna thing  
Just stay away baby  
Don't wanna know if you're alright  
Or what you're doin' with your life  
Don't wanna hear that you'll stay in touch maybe

I'll get by just fine  
So if you're goin then darlin' goodbye, goodbye

Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
I'm not over you yet  
Now don't think I care  
And I don't wanna be your friend

I'll forget we ever met  
I'll forget I ever let...  
Ever let you into this heart of mine baby  
You just gotta let me be  
You gotta keep a\_way from me  
Cause all I want to be is just free of you baby  
Don't you come around  
And say you still care about me

Go now, go now

Don't call me in the middle of the night... no more...  
Don't expect me to be there  
Don't think that it will be the way it was before  
I'm not over you yet  
Now don't think I care  
And I don't wanna be your friend

You take it casua.a... lly,  
And that's what's killing me

I'll get by just fine  
So if you're goin' then darlin' goodbye, goodbye  
Don't call me in the middle of the night no more

Don't expect me to be there  
Don't think that it will be the way it was before  
I'm not over you yet  
Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that... don't think that...  
Don't think that... because...  
I don't wanna be your friend
