The mountains are high
The valleys are low
And you're confused on which way to go
I know there's someone who'll give you a hand
And lead you into the promised land

Chorus

Come on and take a free ride
Come on and get by my side
Come on and take a free ride

All over the country I've seen it the same.
Nobody's winning at this type of game
They got to do better they got to take aim
All of the answers are coming from Him

Come on and take a free ride
Come on and get by my side
Come on and take a free ride

Come on

Come on and take a free ride
Come on and get by my side
Come on and take a free ride

Come on and take a free ride (8x)
