An image flashed across my TV screen
Another broken heart comes in to view
I saw the pain and I turned my back
Why can't I do the things I want to?
I'm willing yet I'm so afraid
You give me strength
When I say

CHORUS:

I want to be your hands
I want to be your feet
I'll go where you send me
I'll go where you send me

REPEAT

And I try, yeah I try
To touch the world like
You touched my life
And I find my way
To be your hands

I've abandoned every selfish thought
I've surrendered every thing I've got
You can have everything I am
And perfect everything
I'm not I'm willing,
I'm not afraid
You give me strength When I say

CHORUS

This is the lifetime I turned my back on you
From now on, I'll go so
Send me where You want me to
I finally have a mission
I promise complete
I don't need excuses
When I am your hands and feet
