Count them, every one  
All of things you've done  
You are the lord of my life  
And i roll them over and over  
In my head, in my head  
But i don't understand  
But i'm glad you're in my life  
And i lift you up so high  
I forget about the world i'm living in  
Lay it at your feet  
I'm giving in  
My joy inside  
I cannot hide  
I love to lift you up  
Lord i love you  
You're a father's hand at night  
You're the sunshine in the day  
And i long to be with you  
All my days  
In old age if i'm still hanging around  
I'll be found around with you  
And i lift you up so high  
I love to lift you up
