I'll sing this song just as long as i'm breathing
I'm feeling good, i'm feeling right
Come sing a song a song of freedom
Sing every morning and into the night
You've got to tell everyone in the land
Come on, come on
Tell every girl, boy, woman, and man
Rejoice, rejoice
That god's been good yeah good to me
Come on, come on
I've been forgiven and it feels so free
It's a beautiful thing when i sing to you jesus
The days are a joy
The nights are all bright
Even the rocks cry out your glory
Let everyone rejoice tonight
That god's been good yeah good to me
Come on, come on
I've been forgiven and it feels so free
Rejoice
