Right
Walk past my eye
Walk past don't you know?
Until I die
I go outside

Want to hold you so high
Let me in alright
I can't deny
I can't deny

Right
Walk past my eye
Walk past don't you know?
Until I die
I go outside

Want to hold you so high
Let me in alright
I can't deny
I can't deny

Right
Walk past my eye
Walk past don't you know?
Until I die
I go outside

Want to hold you so high
Let me in alright
I can't deny
I can't deny
