All my dreams
I had dreamed were dreams of me
All my hopes
Were desires of what I wanted to be
With ambitions put aside
I crawl into Your arms to hide
I have given everything up to You
(Chorus)
This is all
This is everything
This is all
This is everything
This is everything I've got

The good things
And the bad things are in Your hands
My hopes and my dreams
Are in Your command
And I come before You now
As imperfect as I am
And I give
Yes I give it all to You
