Picked up the paper, and read the news
Can you believe what is happening
People homeless and begging for food
And the whole world is just standing still

I want to practice what I preach
To put love into action
Right now the world within our reach
Right here is where we start to run

Do you feel what I feel?
I dare you to come

We're going worldwide
To every creature that's breathing
We're going worldwide
Till this story is heard
We're going worldwide
No one can stop us
We're going worldwide
To the ends of the earth

Tonight the walls are tumbling down
Tonight there's no time for sleeping
I will not rest, till the trumpet sounds
I will not falter, I will run

Do you feel what I feel?
I dare you to come

We're going worldwide
To every creature that's breathing
We're going worldwide
Till this story is heard
We're going worldwide
No one can stop us
We're going worldwide
To the ends of the earth

We're going
We're going worldwide

Worldwide
We're going worldwide
We're going worldwide
We're going worldwide

We're going worldwide
Do you feel what I feel?
We're going worldwide
Do you feel what I feel?
We're going worldwide
Do you feel what I feel?
We're going worldwide
We're going worldwide
