I love you, you know it's true  
And I believe, we're meant to be  
Somedays we cannot find ourselves,  
We've gotta find a better way  
Today I think I found myself  
And now it's gonna be okay  
I believe we're meant to be  
I love you, why can't you see?  
Forever's what we shall be  
I believe we're meant to be  
Hello, my dear, I'm glad you're here  
Can you see, what you are to me?  
My worries slowly disappear  
Whenever I see your face  
And I'm so glad I found you  
Cause now it's going to be okay
