My memories are all gone
My memories were never here to begin
Where have I been?
It's time to run away
I know just what to say to you
Woo hoo hoo
Cause I have been here for too long
And now it's time to say so long
I did my time in school
I did my best to be real cool
I didn't rule
Forget about the past
Those dumb times didn't last
And I knew, you would get through
Cause I have been here for too long
And now it's time to say so long
I'll find another place to stay
Where I can waste my time away, everyday
