I see what eyes cannot see
And ears cannot hear and brains cannot perceive
I see a Spirit over me that guides, protects
And keeps me from some wrecks

I hear Jesus calling
I hear Jesus calling
I hear Jesus calling
I hear Jesus calling

I hear words that were said
Over two thousand years ago
I hear the Spirit when it's near
Reminds me who I belong to

I hear Jesus calling
I hear Jesus calling
I hear Jesus calling
I hear Jesus calling

Softly and tenderly
My Jesus is calling
Calling, calling for you and for me

I hear Jesus calling
I hear Jesus calling
I hear Jesus calling
I hear Jesus calling

I hear Jesus calling
I hear Jesus calling
I hear Jesus calling
I hear Jesus calling
