Man if you, if you want love?
Jesus is right
If you want peace?
Jesus is right

What about happiness?
Jesus is right
No matter what you do
J-E-S-U-S is right

Oh yeah, you're right
Here we go
Yeah

If you want love in your life
J-E-S-U-S is right
If you want peace in your life
J-E-S-U-S is right

If you want some happiness

Sin slips in your soul is gone
Visions explode your mind erodes
Your brain has took a trip

You're on a dive, you're falling fast
You cannot live you cannot last
You can't recall life at all without pain

Let the little children come to me
And do not hinder them
For the kingdom of God belongs to such as these

I tell you the truth
Anyone who will not receive the Kingdom of God
Like a little child will never enter it

J-E-S-U-S is right
J-E-S-U-S is right
J-E-S-U-S is right
That's right

J-E-S-U-S is right
J-E-S-U-S is right
J-E-S-U-S is right
That's right

J-E-S-U-S is right
J-E-S-U-S is right
J-E-S-U-S is right
That's right
