Yeah, I'd like to call this my favourite
It's good

Have you ever been so inclined
Yeah, is it on your mind
The thought we're the Lord's lone protege

Well, I thought we were the only hope
Yeah, the world's safety rope
Americana has come, a come to save the day

Imagine my surprise when I realized

Everywhere I go, I can see
I'm not the only one movin', yeah
Movin' to Jesus

I went down to Mexico
Yeah, Mi amigo
I found Jesus livin' outside the USA

Imagine my surprise when I realized

Everywhere I go, I can see
I'm not the only one movin', yeah
Everywhere I go, I can see
I'm not the only one movin'
Movin' to Jesus, oh yeah

[Foreign content]

Way to start over
Oh the joy that filled my heart
To know that I'm just a part
Of a bigger an' better body all the way

Everywhere I go, I can see
I'm not the only one movin', yeah
Everywhere I go, I can see
I'm not the only one movin', yeah
Movin' to Jesus, yeah
