You been beat down, cast out, kicked in the shins Never ever, ever did they think You could win Like an underdog story, or return of a king It's never really over till the fat lady sings, so c'mon

Time's ticking down, we're on the edge of our seat Only a mighty good leader gonna make us believe We've heard all about it, now we're waiting to see The end of the story and it isn't defeat So c'mon, yeah c'mon

Oh, oh, all over the world We wait for the miracle and it's coming You know it's a matter of fact You're the king of the comebacks

They thought it unbelievable that You'd ever win But I know they know You're gonna do it again Stand up, eyes fixed, don't wanna miss this Jack up the cardiac, go ahead and call it a comeback

Oh, oh, all over the world
We wait for the miracle and it's coming
You know it's a matter of fact
You're the king of the comebacks
You're the king of the comebacks

You can't, you can't, you can't stop it You can't, you can't, you can't stop the comeback You can't stop the comeback

You can't, you can't, you can't stop it You can't, you can't, you can't stop the comeback You can't stop the comeback You can't stop it

Oh, oh, all over the world
We wait for the miracle and it's coming
You know it's a matter of fact
You're the king of the comebacks
